LOUDEN

Litter Carriers

Save Work—Labor—Time—Money!

Work and labor are the big items that must be reduced. With them down to a minimum, time and money also can be saved. Louden Litter Carriers do all this saving. They make the work of cleaning the barn—and it has to be done every day of the year—easier by far.

No More Barn Drudgery

No more breaking backs from pushing a wheelbarrow or carrying heavy shovels of manure out—no more slopping and wasting all the liquid manure all over the floor and ground. A Louden Ware-Light Litter Carrier will give you a cleaner, more sanitary barn—and without a great expenditure of labor. A boy can do the work of a man with a Louden Litter Carrier.

There are several styles and sizes. Let us help you make a selection. If you can't get in, just write us a card or call up on the phone. It's our business to help you.

A stable peace requires more brains and less bull—Buffalo News.

De Valera is behaving like a man who has had his job pulled out from under him—Toledo Blade.

As a suitable present for every body's congressman why not Samuel Sullins' "Tariff"—Chicago News.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Complete Deafness, incurable and permanent, is often cured by the new method. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or a buzzing in your ears, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. P. J. Cheney & Co., Toledo, Ohio.
